

Kroger Community Rewards Program

The Jessamine County Historical Society has enrolled in the local Kroger Community Rewards Program. This program is completely free and allows the Historical Society to receive money, based upon our members' purchases from Kroger. We encourage our members to enroll their Kroger Plus cards and select the Jessamine County Historical & Genealogical Society (NPO #LE494) as their preferred donation organization. The proceeds received from the Kroger Community Rewards Program will be used to further the Historical Society's mission to preserve the history of our county.

Before beginning, please be sure to have your Kroger Plus card handy. If you do not have a Kroger Plus card, one may be obtained at the Customer Service Desk at any Kroger store. If you normally use your telephone number at the register, you may call 1-800-576-4377 and select option 4 to obtain your Kroger Plus card number.

Each member must swipe their registered Kroger Plus card or use the telephone number that is associated to their registered Kroger Plus card for each purchase to count.
